Open Space Forum

MORE - CULTURES OF EQUALITY

September 21, 2018 (5.00-9.00 pm)

Humber Street Gallery
64 Humber St, Hull HU1 1TU

Registration:

genderingcitiesofculture.wordpress.com

The final event in the series 'The Conversation Continues' addresses conversations as an artistic practice.

The event embraces the open space technique in order to create **more debates and exchanges about cultures of equality.**

The intervention invites citizens, practitioners, artists and academics for this opportunity of exchange. Artistic practices, social services, academic research and lived experiences of in/equality overlap, intersect and stimulate each other in this communal exploration of cultures of equality in Hull.
